

Sant Sadhu Ram Ji's Message on GIFTS

Guru Pyari Sadh Sangat Ji,

Master Ajaib Singh Ji has united we dear ones in His remembrance solely for our reformation and liberation from the cycle of birth and death. Master has written in His hymns at so many places that Only Master is ours, then let us not get tied down to any world and worldly relations, and not create any new karmas (give and take).

In view of Masters teachings, the dear ones are requested not to bring gifts or offerings of any kind for sevadars or other dear ones whom you may meet when attending programs and tours.

Sant Ji also used to say that when attending programs, dear ones should neither get involved with sevadars nor in praising them, as it is Master Who is getting everything done as and through whomever He wishes.

If He showers Grace and brings us to any program, let us spend every moment of the time in His Simran and Remembrance and take something real, lasting, and precious away from the program with us.

Sadhu Ram
